

Screening Solutions for Non-Profit Organizations

Build a better team

Reduce Risk And Improve Your Hiring Decisions

Every day, millions of people work with our nation's vast network of non-profit and religious organizations. However, it's important that non-profits perform background checks on those volunteers to help protect their organization and the populations they serve against the potential for volunteer-related risk.

Having a comprehensive volunteer and employee background screening program in place can help reduce that risk.

Programs Designed For Non-profits

Designed specifically for non-profit organizations, First Advantage Screening Solutions for Non-Profits offer convenient, 24/7 web-based access to comprehensive background screening services.

- Access vast, nationwide criminal data to reduce risk and help protect against hiring criminal offenders who may cause harm.
- Get user-friendly reports online anytime.
- Choose from recommended packages to address unique needs.
- Make faster decisions by receiving fast results.
- Leverage reliable support with 24/7 customer service.
- Address industry compliance with products and services that comply with the Fair Credit Reporting Act (FCRA).
