ITEM 4: COMMITTEE REPORTS

STANDING COMMITTEES:

ITEM 4(A) – Fiscal Committee (Heinisch-Chair, Johnson, Johanson):

- i. Fiscal-Quarterly Summary (A/R, write-offs, bank transfers, final audit, tax update, investment reports, vouchers) – Heinisch reported that the committee reviewed the fiscal items noted on the summary prior to the full board meeting. There were no write-offs. The committee reviewed the Voucher, A/R, bank statements, bank transfers, balance sheet, and income statement with no concerns to present to the full board.

Turnbull reported briefly to the board on the difficult state of the market and expectations on impact to NPIP for the upcoming renewal. Staff anticipates increased numbers of members providing notice of intent to leave the pool but is working hard to

negotiate coverages as expiring and protect the pool stability. More information regarding the renewal budget and timeline will be presented to the Fiscal Committee before April.

The Fiscal Committee also discussed with the board that at the recommendation of the investment advisors, investments changed from short-term to a long-term plan in the portfolio. With this consideration they also appointed Amber Johnson and Mike Heinisch as the new designated signers based on roles within the board.

ITEM 4(B) – Executive Committee (Johanson, Semmler, Heinisch):

- i. The Executive Committee reminded the board that the Board Self-Evaluation was approaching early spring. The timeline and materials to complete the self-evaluation will be shared with the full board in preparation for the April retreat.

OTHER COMMITTEES:

Legislative Committee (Johanson, Carlson, Heinisch):

- i. Prejudgment Interest – Johanson presented updates on the turn of events with the expected bill. The committee has been working with the project lobbyists regarding killing this bill and the work remains ongoing.
- ii. Lobbyist Meet & Greets – Carlson reported she would be traveling to Olympia to meet with some representatives and legislators on behalf of NPIP. Johanson, Johnson, and Heinisch also reported they would be meeting with representatives and legislators, with some of those meetings in-person and others virtually.
- iii. Lobbyist Report – Johanson recapped the written lobbyist report that the Board received.
- iv. Campaign for 20 – Heinisch gave the board a brief overview of Campaign for 20 and requested the board to consider either presenting the letter of support to the membership or sign in support. Carlson supported the idea of sending to the membership to allow each organization the chance to sign if they agree. There will be more information on this at a future meeting.

Board Governance Committee (Carlson, Johnson, Semmler):

- i. Alternate Search – Vacant Position. No update from the committee.

ITEM 5: CONSENT AGENDA

As reported, since 6/1/22, they have processed over 3,000 endorsement changes and over 2,000 certificate changes. Huffman added that renewal specifications have been sent to carriers to prepare for renewal and quote should be returned by late March, early April. The underwriting team has a focus on re-underwriting renewal business based on class of business, premiums, and loss ratios.

- d. Risk Management & Education Services – Staff provided a brief update regarding sensor grants that are currently underway. Several members have ordered sensors and have submitted requests for reimbursement. Risk management is also working with underwriting and HSB to update properties. Educational Services have also reported a steady stream of various trainings scheduled for NPIP members.

- iv. MLIP Draft Letter – Montgomery presented a drafted letter to the board, explaining that the idea was to inform members and their own board of directors when they are placed on the MLIP and what to expect.
