

NPIP includes coverage for many types of special events, all at no additional cost to members. This flyer categorizes the scope of events considered for the purposes of this benefit. The following conditions also apply:

- NPIP reserves the right to exclude events in any of these categories at our discretion.
- Underwriting approval is still required for any “included” event with liquor sales, events where liquor is served with 500 or more in attendance, and any event where total attendance exceeds 5,000 participants. Additional premium may apply based on liquor liability for liquor sales.
- Any events not listed here must be referred to the Underwriting department for approval.
