

Online Safety Training Platform

Video on Demand Employee Training

Most workplace accidents are preventable, but many organizations struggle to effectively address workplace safety with employees. That is why NPIP has partnered with Streamery, an online safety training platform that offers hundreds of videos over a wide variety of topics. These videos:

Training Categories

- Agriculture
- Compliance
- Compliance & Ethics
- Construction Safety
- Employee Relations
- Fleet Maintenance
- Food Safety & Restaurants
- Healthcare
- Hospitality
- OSHA Compliance
- Property Management
- Retail Safety
- Safety Awareness
- School Safety
- Staffing Services
- Transportation Safety
- Utility, Public Works, Solid Waste
- Workplace Safety

Streamery is an excellent tool to help nonprofits prevent costly workplace safety incidents. Contact your NPIP risk manager at 800.407.2027 to learn more and to set up a Streamery account today!
